John Mowrer, Jr., Seeks Seat in Council

Local Political Situation Is Enlivened by Contest.

INCUMBENTS ALSO FILE

The only contest in the political arena in Narberth centers around the Borough Council. Three members, William H. Fretz, Clifford W. Bates and Edward S. Haws, are all candidates for re-election, while John A. Mowrer, Jr., is also a candidate.

Mr. Mowrer, a resident of Montgomery Avenue, is supposed to have the backing of the group which advocated a change in the zoning on that street to include it in a business district. While Councilmen are elected at large from the borough, he is looked on as the candidate in opposition to Mr. Bates, whom it was known opposed any zoning change on Montgomery Avenue. Mr. Mowrer is also expected to have the backing of the Harold D. Speakman Post, American Legion, of Narberth, of which he is a member and officer.

Petitions were filed for the three incumbents on both the Republican and Democratic tickets, while Mr. Mowrer's was only on the Republican.

The refusal of Mrs. F. T. Van Auken to be a candidate for re-election as a school director necessitated the selection of another person for the post. Mrs. Edna Rinehart, of 301 South Narberth Avenue, was chosen by a group of women and her petition was accordingly filed. Dr. Walter Steckbeck, a member of the School Board, is also a candidate for re-election.

The passing of the final day for filing petitions (August 11) and for withdrawing from the race (August 18) finds three borough residents in the field for county offices.

Foremost, perhaps, in public interest, is the candidacy of Louis Alonzo Young, of Grove Place, for the office of County Commissioner. The former Penn coach has received the backing of State Senator James S. Boyd and the Pinchot-Just group in an effort to break the power of County Leader Charles Johnson. Mr. Boyd charged "Boss" Johnson with nepotism in placing his son-in-law, H. Stanley Drake, on the ticket as a candidate for re-election as County Commissioner.

Fred Walzer is another Narberth

No Parking by Bank

A no parking zone has been established by the Lower Merion authorities on the north side of Avon Road between Haverford Avenue and the first driveway. This is the section bounding the Narberth office of the Merion Title and Trust Company, and being just outside the borough limits, comes under Lower Merion's jurisdiction.

Shoe Shop Robbed

Constantine's Shoe Shop on Haverford Avenue, Narberth, was broken into over last week-end. Forty-six dollars was taken from the cash register, it was reported to police.

Mulieres Plan for Card Party, Carnival

September 15 Date of Card Party to Raise Funds for Big Event.

WANT DONATIONS

The Mulieries, Auxiliary of the Narberth Fire Company, held a meeting at the home of the president, Mrs. Eberhardt Mueller, on Essex Avenue, on Tuesday afternoon, when the plans for the card party and carnival were discussed. A very delightful card party will be given on Tuesday afternoon, September 15, at two o'clock at the home of Mrs. Robert J. Nash, Narberth and Price Avenues. This party is being given to raise funds for the tables at the carnival which will be held on October 23 and October 24. The tickets for the card party are $1.00 each and reservations may be made with Mrs. E. H. Cockrill, Narberth 3679-R. There will be a number of delightful prizes.

Many interesting surprises are planned for the carnival, one being a radio game, for which there will be a number of prizes. Among the tables there will be a linen table, a variety table, fancy table, one with a number of foreign goods, a cake and grocery table. There will be two chairmen at each table and fifteen aides. The carnival will be held on both floors of Elm Hall and will open on Friday, October 23, with a delicious cafeteria supper at five o'clock. The following day, Saturday, the carnival will open at one o'clock and a cafeteria supper will also be served that evening.

Everyone is cordialiy invited to help in this carnival, either with donations or as aides. Please notify Mrs. Eberhardt Mueller, Narberth 3883.

Narberth Baseballers Enjoy Bathing But Fare Badly on Diamod at Beach Haven

By DAVE CASEY

After a rainy week that blotted three scheduled contests out of the picture, Manager Gene Davis led his Narberth baseballers on their annual jaunt to Beach Haven last Sunday. The boys had a pleasant time bathing in the bounding billows, but met a most inhospitable reception on the baseball diamond when the resort nine vanquished them 6-0 in a one-sided game.

Jack Kimball, on the mound for the seaside team, was mainly responsible for the Borough boys' discomfiture. This efficient hurler, with his wide breaking curve and whizzing fast ball, had little difficulty blanking the Borough nine with six scattered hits and registering thirteen strikeouts. Francis, Slaughter and Rubincam, with two safeties apiece, garnered all the Narberth base hits and the Beach Haven nine, backing up their masterful hurler in admirable fashion, prevented any of the Boroughites from penetrating even as far as third base.

John Jackson handled the pitching duties for the Davismen but was far from his usual effective self and the Beach Haven boys swatted his offerings merrily, with Cox, the home team's first sacker, leading the attack with four safe hits, one a double. Parker and Davis also proved quite troublesome to the Narberth hurler, each getting a pair of safeties. The fielding feature of the game was a sensational stop in the third inning by Herb Baker, which halted Beach Haven in their first run-making inning. Baker, by the way, played a wonderful fielding game.

The game was marred by several weird decisions by Umpire Hibbs, which, although having no effect on

Funeral of F. Mancill, Jr., Held Wed. at Narberth

Funeral services were held Wednesday at St. Margaret's Church, Narberth, for Frank Hoy Mancill, Jr., 13-year-old son of Frank H. Mancill, of Winding Way and Haywood Road, Merion.

Young Mancill was killed accidentally by the discharge of a gun Sunday afternoon at a camp in Maine near Moosehead Lake, according to word received by his parents. He had been there since July 1 and was expected home the end of this month.

Mr. Mancill is a prominent Philadelphia attorney and member of the Lower Merion Board of Township Commissioners, representing the General Wayne district. He is also a member of the Union League, the Philadelphia Country Club and is president of the Philadelphia Memorial Park.

The boy attended Haverford School, where he was a member of several athletic teams. He is survived by his parents and a sister, Mary Elizabeth, aged 6. Interment took place in Philadelphia Memorial Park at Frazer.

Candidates Invited to Merion Meeting the 9th

The Merion Branch of the League of Women Voters will hold a candidates' meeting before the primaries on Wednesday, September 9, at 8 o'clock at the Merion Tribute House.

Candidates for the leading county offices will give their platforms at this meeting. All voters of Merion, Bala, Cynwyd, Narberth and Wynnewood are cordially invited to be present. Refreshments will be served.

Special Events Planned for Final Week at Playground

Next week, the last of the regular playground season, will see some special events take place on the Community Playground. On Wednesday evening the annual Lantern Parade will take place at 7 o'clock. On Friday afternoon at 2 o'clock the annual Play Day will be celebrated, at which time all prizes won during the entire summer will be awarded. The old "Y" cup will also be presented to the winning baseball team. The children willl be divided into four groups, boys from 14 to 17, girls of the same age, boys under 13 and girls under 13. Each group will have ten different activities or races in which to compete, but each child will be allowed to win but two events.

Cotter Shuns Americans in Order to Meet Natives on European Trip, Described at Rotary

"All in all, I had a wonderful time," was the way Howard F. Cotter summarized his recent European trip, described Tuesday at the meeting of the Bala-Cynwyd-Narberth Rotary Club. Mr. Cotter was delegate from the local club to the convention of Rotary International at Vienna.

He described the convention itself, attended by more than 4000 people from every corner of the globe, and gave a detailed description of his extensive trip following the meetings. The talk was enlivened with descriptions of the daily habits of people in the various cities visited, for, as he said, "I kept away from the Americans and tried to get acquainted with the residents themselves."

The trip following the convention took Mr. Cotter to Budapest, where he attended a meeting of the local Rotary Club, then to Prague, Dresden and Berlin. Switzerland, which had been touched briefly on the trip to Vienna, was included in the post-convention tour, and Mr. Cotter visited Lucerne, where he made his longest stay, Interlaken, Berne and Basle.

"Switzerland," he said, "is a finished job. Even the California members of

Local Movies

Narberth Theatre Notes

This Friday and Saturday the feature will be "Annabelle's Affairs,' a smartly sophisticated comedy with Victor McLaglen and Jeannette MacDonald. Amusing complications in a matrimonial mixup.

On Monday and Tuesday "Dracula," sensational film of vampires, will be the featured picture. Bela Lugosi, as Count Dracula, is sufficiently hair-raising to satisfy the most confirmed mystery fan.

"Smart Money," scheduled for next Wednesday and Thursday at the Narberth, has been hailed as one of the most brilliant of gangster pictures. Edward Robinson, star of "Little Caesar," appears as the king of the gambling fools who makes a spectacular rise, decline and sudden fall. He is supported by Jame Cagney.

Egyptian Theatre Notes

This Friday and Saturday Marion Davies stars in an amusing light drama —"Five and Ten." Always a comedienne, Marion Davies is given an unusual opportunity in "Five and Ten" to combine farce with drama of a more serious vein.

Clara Bow appears in "Kick In" on next Monday and Tuesday. The "It" girl's last picture has a gangster setting but has not the demoralizing effect of most underworld films. As a whole it is rather good melodrama.

"Free Soul" is the feature for Wedensday and Thursday. Norma Shearer, Clark Gable and Lionel Barrymore appear in a well-acted, thrilling picture of more gangsters and court scenes. Norma Shearer gives a good performance. Not recommended for children.

resident seeking office in Court House row, that of Sheriff, and in his campaign has received the backing of the Just group. There are six miscellaneous candidates in the field in addition to the Johnson candidate, Hazeltine Lever, Chief of Police of Abington Township.

Edward S. Haws, a member of Council, who is seeking re-election, is also a candidate for the county office of Register of Wills on the Democratic ticket.

Mrs. Ella R. Murray, of Dudley Avenue, whose petition was filed for the office of Director of the Poor, withdrew by Tuesday of this week, so her name will not appear on the ballot.

New Drama 'Whirlpool' on Hedgerow Program

The week's program at the Hedgerow Theatre will include for Tuesday night the second performance of Maurice Jacques Valency's psychological drama treating of the transference of personality, "Whirlpool," which will be given its premiere tomorrow night.

The play for Wednesday evening is again Moliere's well-seasoned comedy, "A Physician in Spite of Himself." which concerns the dilemma of a man who suddenly finds glory thrust upon him. Edward Ginsburg will play the physician, Miriam Phillips, Peggy Oliver, Jean Sweidel and William Price are in chief support. "Happy Ending," Perry Ivins' comedy of American "life, letters and what-have you," is the play for Thursday night, with Carl Reukauff, Dudley Vaughan, Dorothy Willard, Frances Torchiana, Marshall Gatchell and Sol Jacobson in important roles.

Of particular interest is the return on Friday night, after an absence of several weeks, of that artistically whole and earthy comedy by J. M. Synge, "The Playboy of the Western World." The cast is headed by Ferd Nofer in the title role, with Dudley Vaughan, Cele McLaughlin, William Price and Jasper Deter as prominent characters. An American counterpart of this Irish comedy of the soil is billed for Saturday night in Lynn Riggs' fertile comedy, "Roadside," another of his studies of Oklahoma life. Harry Bellaver and Cele McLaughlin play the romping hero and heroine of the piece.

How Long to Swim

At this season of the year the call of the water is irresistible.

Unfortunately, too many show poor judgment when they go swimming. Carl Easton Williams, noted physical culture and health expert, suggests that "a little cold water is a wonderful thing. It is bracing, it accelerates breathing, promotes oxygenation, tones up nerves and does a few more little things like that—if you don't overdo it. But if you are not in the polar bear classification and stay in the water too long, the reaction power of the body fails and you ultimately emerge with chattering teeth, the puckered skin that we call 'goose flesh,' and a state of nervous depletion that lasts for hours.

"People who shudder at the idea of taking a cold bath in a warm bathroom in the winter time will blithely march into cold water in the good old summer time, and not only march in but stay in till the cows come home. They would not think of going into a marathon race or a ten-round boxing contest without long training—probably not even then—but when they go down to the sea in bathing suits they try to outstay the life guards.

"How long to swim? Only as long as it is a pure delight and the thrill of the water remains. At the first sign of a chill, or at the first sign of fatigue, get out and sun yourself. You might like to get your money's worth by staying in the water, but you'll have more pep and feel better if you are sensible. Cold water stiffens. The colder the water the shorter should be your swim. But in very warm water you might stay a long time before you reach the stage of chill or fatigue."

An Unusual Record

A fire loss of but $100 is the record established in Lower Merion and Narberth in the past month.

This evinces the efficient work being done by the volunteer fire companies of the Township and Borough, in checking all blazes which might have had serious consequences and also reflects credit upon the fire prevention work being done by Lower Merion's Fire Marshal, Anthony McGrann. The type of building construction required by the authorities doubtless is another contributing factor to the small losses by fire in our communities.

"It is better to prevent a fire than to have to put one out," said the Fire Marshal recently, and this is the policy which is being developed hereabouts. The inspection of all private schools in Lower Merion by Mr. McGrann this summer is a point in case.

While the volunteer fire fighters may champ at the bit with the lack of fires to rush to the average citizen is just as well pleased that conflagrations are few and far between.

Is It Your Neighbor?

During the past week eleven additional families have been added to the numbers already depending on the Main Line Federation of Churches for advice and assistance. We need your help to supply their wants. Any contribution, no matter how small, helps to lighten the burden. We gratefully acknowledge contributions received from the following people:

On suspicion. A colored man who gave his name as Earl Archie, of Lenope, Chester County, was arrested on suspicion by Officer August Bailey, of the Narberth police, when found lounging about the shelter shed of the Narberth station at 1:45 last Saturday morning. When questioned by Lieutenant Walter Brown, of the Lower Merion Detective Bureau, he admitted having pulled half a dozen robberies in the township. Upon investigation it was found that he had been an inmate at Glen Mills during the time when he professed his burglaries. He had also been committed to the Chester County Home from which he escaped on July 21. Lower Merion police believe he is feeble-minded. He will be turned over to the Chester County authorities.

Hold-up. When stopping for traffic at the intersection of Gulph Road and Montgomery Avenue, Villanova, on Tuesday night at 11:45, John Williamson, of Rosemont, was held up and robbed by a colored man who jumped out of the car ahead of him. The robber took his wallet containing three dollars and a gold watch. The bandits' car bore no rear license tags and disappeared in the direction of St. Davids.

Runaway. Edgar C. Bisbee, of Llanberris Road, Cynwyd, was attending the movies at the Narberth Theatre last Saturday evening. He had parked his automobile on Windsor Avenue on a grade between Forest and Essex. While he was enjoying the show, the emergency brake on his machine slipped. The car plunged down the hill, crashed into and over a stop sign at the corner of Essex and Windsor and came to rest against a fire plug on the opposite corner. The borough expects to recover damages to the stop sign.

Canners. Mrs. George Holt Strawbridge, of "Windermere," Bala, is sponsoring a movement to obtain food supplies now going to waste on farms for want of a market and through aid of volunteer canning kitchens to conserve them for the relief of the needy in the winter. All foods so canned will be turned over to the relief committee headed by Horatio Gates Lloyd, of Haverford, for distribution.

A fatal ride. Pitched to the ground when her horse bolted, Mrs. Frances Tendler, of Overbrook, died of a fractured skull following a ride in the Wissahickon last Sunday afternoon. The wife of Samuel H. Tendler, a fence manufacturer, Mrs. Tendler was an experienced horsewoman, often riding on her husband's farm near Phoenixville. She is survived by her husband, who was with her at the time of the tragedy; a twenty-months-old daughter and her mother, Mrs. Katherine Fenkel.

Equal shares. According to the will of the late Edward Lincoln Pedrick, of Narberth, equal shares of his estate valued at $15,500 are to be given to Clarence Scott Pedrick, a brother, and Carrie Mabel Pedrick, a sister. Mr. Pedrick died July 24.

Bunk in Theatre. After combing Wayne with the aid of Radnor Township police last Saturday night in search of their three children, who had been attending the movies there, Mr. and Mrs. John Murphy, of Bethlehem, who were visiting on the Main Line, decided to look in the theatre. The children had not shown up at the appointed meeting place and the parents were worried. Much to everyone's surprise, when Manager Harry Fried opened the show house, the three youngsters were found sound asleep in the front row.

Auto victim. While walking along Mill Creek Road from Ardmore to his home in Gladwyne last Saturday night, Levis Keech, of Church Road, was struck by an automobile and suffered a possible fractured skull, internal injuries and concussion of the brain. The driver of the car was C. Wilson McNeely, Jr., of "Ravine Ledge," Gladwyne. He was held under $500 bail by Magistrate Meredith at the Ardmore police station awaiting the outcome of Keech's injuries.

Annual Sale of FUR COATS

EVERY Fur Coat in the Sale, whatever the price, represents a fashion alertness that is particularly important in this year of great change. Paris has adapted Fur fashions, like gown fashions, to conform to the gracious feminine rule of the little Empress Eugenie hat. That the whole ensemble may be in harmony, the Fur Coat has become more feminine, but with a certain imperiousness.

You will note the greater length in the Fur Coats in this Annual Sale. You will note the new and more flattering silhouette . . . width at the shoulders, often with elaboration in collar and sleeves; youthful slenderness at the waist and below; restrained use of the flare, usually introducing it below the knee.

When you try on one of these 1931 Fur Coats you will know why we say . . . the most beautiful Fur Coats in decades, at the lowest prices in the memories of the most of us.

Charge purchases made in the Annual Sale of Furs will be listed on bills rendered November First, and Fur Coats purchased now will be stored free of charge until November First. CHEVROLET

Step out of any other low-priced car, step into a Chevrolet, and you'll learn what a difference six cylinders make.

"Idle" the engine—and the whole car remains *steady*. Open the throttle—the power flows *evenly*. Accelerate—throttle down—go fifteen or fifty—and this smoothness stays with you whatever you do. For six-cylinder smoothness is *built into* the motor—and objectionable vibration never even starts!

Yet smoothness is only part of your six-cylinder experience. There's greater *quietness*, because noisy vibration is gone. There's greater *comfort*, becausebuilt-insmoothness doesn't tire the driver or passengers. There's greater *flexibility*, because the power-impulses of a six overlap. And response is more positive, performance more elastic. A six is much *easier to handle!*

And particularly, if you raise the hood of a Chevrolet and watch the engine running smoothly and steadily, you'll realize that six cylinders also mean greater *dependability*.

You owe it to yourself—to see and drive a Chevrolet today. And remember when you do—that no other car is so economical to operate as the powerful Chevrolet Six!

Twenty beautiful models, at prices ranging from . . . $475 *to* $675

All prices f. o. b. Flint, Michigan . special equipment extra. Low delivered prices and easy G. M. A. C. terms.

LOOK OUT FOR A TRAFFIC JAM

When you drive a car, you are careful to avoid a traffic jam whenever possible.

What a big traffic jam results on the first cold day of early Fall, when everyone wants to fill a neglected coal bin at the same time! Wouldn't it be a wise turn of the wheel to avoid this crowd?

You can easily do so by ordering some coal for delivery this month. Soon you'll be needing it, and then how pleasent to have it right down your cellar, where it can be reached at a moment's notice, when the mercury says a furnace fire is in order!

Shamrocks were supposedly the runners-up in the Legion League of Philadelphia, but when they came up against the bats of Burgess, Donahue, Stroupe, Wright, Kane, Keim, Coward, Rittenhouse, Case and Jones they seemed to wilt. The boys think they have a wonderful club and it surely does look that way to the fans.

The Baseball Leagues

The Junior League came to an end on Wednesday when the Aces defeated the Wildcasts, 13-1, and the Eagles topped the Park Juniors, 7-2. The Aces, by winning the second half of the league, can play the Wildcats, first-half champs, for the year's title. The first game of the playoff will be held today and the second and third games on Monday and Wednesday.

In the Senior League the Cards, first-half champs, also won the second half as a result of Wednesday's games, thereby retaining possession of the old "Y" cup.

The standings:

	W.	L.	Pct.
Cards	6	1	.870
Aces	3	4	.420
Tigers	3	4	.420
Midgets	2	5	.300

Archery Exhibition

Mr. and Mrs. Kinnel, of Narberth, formerly of Philadelphia, gave a very interesting exhibition of the ancient game of archery, made famous by William Tell, on the playground on Tuesday evening at 6 o'clock. They shot distances of 30, 40, 50, 60 and 70 yards and seemed to be very adept at the sport. They both belong to the Philadelphia Archers' Association and incidentally Mrs. Kinnel is woman's champion of Philadelphia. The ultimate aim of the pair is to get the community educated to the sport so that the boys and girls can enjoy it as much as they do.

Witte Wins Tennis Crown

Smiling Joe Witte smashed and volleyed his way through twenty-five entries to win the tennis tournament held at the playground on Tuesday afternoon. It was by no means an easy task for the winner had to play seven sets under the blistering sun. Jones, the runner-up, gave the champion a good battle, but finally weakened until the smashing drives went through him for clean points. Those entered were as follows: Murphy, Bossone, Joe King, Gilroy, Jones, Kane, Wright, Stroupe, Richardson, Burgess, Witte, Wilkinson, McConnell, Heckel, Ross, Keim, Essley, Case and Rittenhouse.

Puppet Show a Success

Something new was given to the kiddies last Friday evening on the playground. Mr. English, president of the Playground Association of Philadelphia, brought a puppet show to the Narberth playground. It was very well planned and went over with a bang. The kiddies marveled at the little animals who seemed to talk and act in front of their very eyes. Over 200 people witnessed the novelty. We sincerely hope they come back again.

On Monday, August 10, the girls' volley ball and baseball teams of the Narberth playground were the guests of the Haverford girls at the Haverford Community Centre. In baseball the Haverford girls vanquished the Narberth girls, 18-6. Due to the rain the volley ball could not be played. However, after a very enjoyable picnic supper the two teams once more competed, this time in basketball. And the girls from the Narberth playground redeemed themselves in an admirable fashion with a score of 36-12.

The standing of the Community Girls' Volley Ball League at the present time is as follows:

Team	W.	L.
Betty Kriebel	10	3
Alice Callahan	6	6
Lois Maltby	2	10

On Wednesday morning the annual soap bubble contest was held for the younger children. Those who entered the competition were: Mary Blanche, Eleanor Cabrey, Kenneth Wilson, Margaret Duffy, Beatrice Case, Helen Case, Suzanne Hewitt, Bobby Tabor, Dorothy Fecher, Frances Metzradt, Bernice Swenney, Mary McCafferty, Joe McCafferty, Virginia Allen, Bobby Owen, Jack Fulton, Fritz Fulton, Billy Carre, Warren Vincent, Shirley Vincent, Howard Carre, Bud Metzradt. Each team consisted of five players. The one which blew the most bubbles in two minutes' time was Mary Blanche, Eleanor Cabrey, Kenneth Wilson, Margaret Duffy and Beatrice Case. They conquered their opponents with the score of 55 bubbles to 15.

Contrary to a rumor in the neighborhood the wading pool is open daily with showers on Monday, Wednesday and Thursday and filled to the brim on Tuesday and Friday when the "beginners" are taught to swim and to learn not to fear the water.

Eleven to twelve A. M. is the hour reserved for beginners on the tennis courts. Be sure and send the children at this hour and they will be instructed in the fundamentals.

The two new tennis courts are now in full swing, having been initiated with the boys' and girls' tournaments on Tuesday and Wednesday. The ruling is now in force that no one under 10 years of age is allowed on the courts from 5 P. M. till closing time. There are two hours to play in the evening and each player will be given the chance to play one hour, from 6 to 7 or from 7 to 8 o'clock. If over 16 players arrive to play from 7 to 8, the first 16 that sign up on the bulletin board will play.

Chicagoan Stricken Upon Arrival in Narberth

Funeral services were held Tuesday afternoon at 2 o'clock for Louis Latour, of Chicago, who died on Friday evening at the Hahnemann Hospital, at the home of his niece, Mrs. E. G. Reichner, of 344 Meeting House Lane, Narberth. The interment was at Fernwood Cemetery.

Mr. Latour was taken with a stroke upon his arrival at Mrs. Reichner's, with whom he intended to make his home. He was 71 years old and is survived by a half brother, Edward Godfroy, of Stonehurst, three nieces, one nephew, three greatnieces and four greatnephews. Mr. Latour was an accomplished linguist and was of French parentage. He formerly lived in Cynwyd.

HARRY G. PARKER

The many friends of Harry G. Parker, resident of Narberth for twenty-two years, will be grieved to learn of his sudden death at his late residence, 504 South Narberth Avenue, Merion, on Saturday morning.

Funeral services were held Tuesday morning at 10 o'clock at the late residence with interment at Mt. Ivy Cemetery, Germantown.

He was for years a member of St. Davids Golf Club, also the Philadelphia Wholesale Lumberman's Golf Association, the Philadelphia Lumberman's Association, the National Wholesale Lumber Association and the Union League of Philadelphia.

Survivors include his wife, Mary E. Parker, a daughter, Ruth H. Reimert, and a niece, Mrs. Doris H. Dohan.

Much Fun at Low Cost on Poverty Week-end Trip

An innovation this summer is that of the poverty-week-end trip. This does not mean you have a poor time, in fact it means that you have a delightful time at a very small cost.

Among those who have taken such a trip are Mr. and Mrs. J. Bruce Byall, of Bryn Mawr Avenue, Penn Valley, and Mr. and Mrs. Isaac C. Sutton and their son, Crawford Sutton, of Wynnefield, who left last Thursday by motor for Pine Creek Gorge, near North Jersey Shore, Pa., where they camped in the gorge and also visited the Valhalla State Forest, Ole Bull's Castle, and several of the wonderful State Parks and State Forest. An interesting feature of the trip was the drive through Kettle Creek Road, lined on both sides with the finest of hardwood forests.

Mr. and Mrs. Byall and their guests covered over 700 miles during their trip, returning on Sunday. The entire cost of the trip was $5.23 for each person.

Auto victim. While playing in front of his home at 805 Clifford Avenue, Ardmore, Daniel Crowley, aged 14, was struck by an automobile driven by Robert Dorsey, colored, of Holland Avenue, Ardmore. Crowley suffered a lacerated scalp and possible internal injuries. After taking his victim to the Bryn Mawr Hospital Dorsey fled but was captured by Motorcycle Patrolman James Kearns, of the Lower Merion police, after a chase of a mile. He was turned over to the Haverford Township police and was held under $300 bail for a further hearing.

Wins promotion. Captain Leo F. S. Horan, of St. Davids, a member of the U. S. Marine Corps, has just been appointed marine aide on the staff of Rear Admiral Bostwick, commandant of the Philadelphia Navy Yard. He is a former resident of Overbrook, graduate of St. Joseph's College and the Temple University Law School.

Postal Rates to Canada to Rise September 1st

Main Line and Bala-Cynwyd postmasters have called attention of residents to an increase in postal rates effective September 1 to Canada and Newfoundland, including Labrador. The rate will now be 3 cents per ounce or fraction thereof on letters and two cents on postcards. The air mail rates to these places will be 6 cents for the first ounce or fraction thereof and 10 cents for each additional ounce or fraction thereof.

Commencing September 1, the international rates of postage will also be applicable on letters and post cards mailed in the United States and addressed for delivery in Great Britain and Northern Ireland and the Irish Free State. This is 5 cents on letters for the first ounce or fraction thereof and 3 cents for each additional ounce or fraction thereof. The rate on post cards will be 3 cents.

Community Library Adds Two New Book Stacks

Two new book stacks seven feet high have been added to the adult department of the library this past week, and two others four feet in height have been added to the children's department. This will relieve partly at least and for a time the congested condition which has existed on the shelves and has made it impossible for librarians to return books to their proper alphabetical arrangement. The new shelves will also facilitate the location of books frequently misplaced because of lack of room. Periodically, as the library work expands, this crowded condition becomes more and more evident until the solution is forced, only to recur later.

However, the constant support of the community in the use of the library and in the cheerful payment of the rental fees produce the necessary funds at about the critical time. The librarians are so pleased with the new pieces of equipment that they will welcome the opportunity of displaying them to any one who inquires, and if the truth be told are eagerly anticipating any one's interest.

Re-nominate
FRANK X. RENNINGER
District Attorney

Mr. Renninger is opposed to the making of Judge Williams County Leader, to succeed Charles Johnson. Judge Williams will be the county boss, if the Johnson candidates are elected. No Judge should run a political machine.

If you nominate and elect Mr. Renninger, he will keep Judge Williams out of the District Attorney's office. He will not allow either judicial or political interference with the District Attorney.

the final outcome, caused the Narberth players to register several vehement protests during the course of the game. Harry King's picturesque eloquence caused the umpire to change one of his incredible ruling, but the official was unmoved by several other objections entered by local players during the course of the game.

McKee's Fine Hurling Halts Brookline 5-1

By DAVE CASEY

The excellent mound work of Jim McKee enabled the Narberth Club to gain an easy 5-1 victory over Johnny Nunnan's Brookline outfit last Monday night. The Narberth hurler was in top form and help the slugging Brooklinets to four scattered hits, while the Borough players banged the curves of Jim Connor for eight safe blows with Slaughter and MacGregor leading the attack with two hits apiece. The features of the game were Slaughter's long home run drive in the sixth inning and the efficient fielding of Rubincam, Baker and McKee. Harry King, regular catcher, covered first base for this game and surprised the local fans by his capable work around the initial sack.

Does your crab grass thrive?

This is the time to plan new lawns for early September.

Crab grass should be removed by hand weeding before it goes to seed in early September.

Clover lawns will probably prove more satisfactory than fine grasses such as creeping bent. Kentucky blue grass makes a good companion for clover as it thrives under the same conditions.

Now is the time to have the lawn grub-proofed against the work of Japanese beetle grubs. The treatment, if properly executed, should last for several years.

A new pest has been found in local lawns, the chinch bug, it chews the roots of grasses but can be controlled by saturating the soil with pyrethrum or nicotine spray.

August is the ideal time to remove dead wood from trees as spring growth has ceased and fall wood growth has not as yet started. And, besides, dead branches are more conveniently located than when the tree is without foliage.

Late summer and early fall is the better time to have trees filled as the fall wood growth starts rapid healing so that a season is saved. And the sooner old trees are attended to the less it costs.

Prices on hady bulbs are comparatively low. So place a generous order for tulips, narcissi, eranthis, muscari, scilla, Chionodxa and crocus. When they flower next spring we will say "Well! That was a good investment! And to think that they will multiply and be with us for many years!"

And next spring we will say as we watch the cycle of Nature proceeding on her orderly way, "The pendulum has swung back, business is going ahead and all it needed last fall was that push to sart the ball a-rolling." So let us join with Seth Paker in singing "Good times are comin' Again." And don't forget to hang the crape hangers to a sour apple tree.

Nurserymen and seedsmen have ample stocks of trees, shrubs, evergreens, perennial plants, bulbs and seeds. Buying these will help to start the ball a-rolling, will prove a real investment for the buyer as well as adding some real beauty to that part of the world in which we live for the enjoyment of ourselves as well as our neighbors.

Cotter Describes European Trips at Rotary Meeting

Continued from Page One

the party had to admit that!"

A trip to Heidelberg followed, with a sight of the Black Forest, then Baden-Baden and a boat journey on the Rhine. A bottle of cologne was purchased in the city whose name it bears, and then the route led to Belgium.

A stay at Brussels was followed by visits to the battlefields of the World War and the Napoleonic campaigns. Mr. Cotter was much interested in the "Big Bertha" which shelled Paris. Antwerp followed and the beautiful peace palace at The Hague. A stormy crossing of the English Channel brought him to England, "where they speak your own language." A short stay in London completed the trip.

In Germany Mr. Cotter was impressed by the fine shops and generally prosperous appearance of the towns and people. "That may seem so," he observed, "because the poor people keep out of sight, or it may be that reports of conditions which reach here are somewhat exaggerated."
